

UTTRAKHAND

Project Title: Re-construction of Defunct Toilets in Uttarakhand		
1	Aim of the project	To promote the concept of “total sanitation”, including solid waste management, drainage, excreta disposal, and safe handling of water for hygienic purposes and create demand for sanitary conditions as behavioral change for sustainable outcomes.
2	Short justification of the project	Most districts are in hilly areas and there is no provision of funding for defunct toilets at any level, State or Govt.
3	Whether existing or new project	New project to meet out ODF goal under Swachh Bharat Mission (Gramin).
4	Sector	Rural Sanitation
5	Implementing agency and NGOs associated	Department of Drinking Water and Sanitation, Govt. of Uttarakhand, NGOs contracted by the DPMU and the Gram Panchayats.
6	Target beneficiaries	110501 households
7	Target geographic location	All 13 Districts of Uttarakhand.
8	Project timeline	In three years following the sanction of the project.
9	Estimated budget	Rs. 132.6 crores.
10	Whether it includes capital cost as well as maintenance cost	Only capital cost.
11	Minimum contribution or per unit cost of the project	Rs. 12,000/- per unit
12	Images of proposed project	No
