# IDF Network of Overseas Indians

India Development Foundation of Overseas Indians (IDF-OI) is a not-for-profit trust established by the Government of India in 2008, to serve as a credible institutional avenue to enable Overseas Indians to engage in philanthropy with social and development projects in India. The Trust is exempt from the provisions of the Foreign Contributions Regulation Act (FCRA), 2010.

## Objectives of the Trust:

- Lead philanthropy by overseas Indians into India and facilitate philanthropic partnerships.
- Provide a list of credible institutions, projects and programmes to Overseas Indians.
- Function as a clearing house for all philanthropy related information on India.
- Partner with and encourage credible philanthropic organisations.
- Promote accountability and 'good practices' in overseas Indian philanthropy.

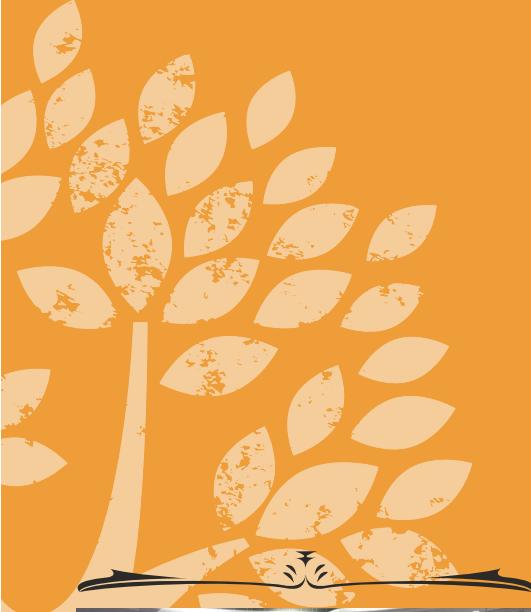

## Focus Areas

- Sanitation
- Education
- Women and Child Development
- Sustainable Livelihood
- Healthcare

*"Although, the Indian Diaspora is a very heterogeneous group , there is a common factor which binds them- their desire to maintain their connection with their homeland and to contribute to the social and development efforts in India. We are seeking to strengthen and deepen our relationship through IDF-OI."*

*- Chairperson, Smt. Sushma Swaraj  
Hon'ble Minister of External Affairs  
& Chairperson, IDF-OI*

# Why IDF-OI

During/ after project implementation, the contributor will receive quarterly reports detailing impact made by the project along with actual site/beneficiary photographs/videos. The implementing agency will give timely feedback to donors. These will also be posted on the IDF-OI portal. Along with the impact/intervention made by the project, these reports will have the contacts of the State Govt/ NGOs/ implementing agency.

IDF-OI does not charge any administrative cost from contributions made by Overseas Indians. Every rupee of your contribution will go where it is needed the most. IDF-OI encourages Overseas Indians to take part in India's development. The trust understands the needs of retail contributions and caters to those interests.

## Priority Projects

- Swachh Bharat Mission
- Clean Ganga Mission
- State Government Projects

# Projects Funded:

Since 2011, IDF-OI facilitated contributions from Overseas Indians for social development projects in:

## 1) Educating and Mainstreaming Differently Abled Children

Computer Lab and Chemistry Lab set up in Swaminarayan High School, in Shakarpur Village, Gujarat

## 2) Water Conservation & Rainwater Harvesting

"My children did not suffer from diarrhea this summer. With Aakash Ganga my children get safe drinking water."

Aakash Ganga Project proudly supported by an Overseas Indian in Rajasthan

## 3) Women's Education

NRI supported administrative cost of Mrs. Helena Kaushik Women's College in his native village, Malsisar in Rajasthan through IDF-OI

“  
Donor advised projects were identified by IDF-OI. Projects were funded in Assam, Rajasthan and Gujarat

# IDF-OI Champions

## **Yusuff Ali M.A.**

Chairman & Managing Director, LuLu Group International, UAE  
Contributed Rs. 72 Lakhs to Swachh Bharat Mission

"I think setting up of IDF-OI is one of the best initiatives of the Government. In my view, it is serving the dual purpose of tapping the much needed funds for our community development and connecting the large Indian Diaspora with the nation building process. This surely makes us all feel very proud of India and its future."

## **Ramakant Agrawal**

Founder, Brightex Pvt. Ltd.

Contributed Rs. 25 Lakhs to Clean Ganga Mission

"India's Hon'ble Prime Minister Shri Narendra Damodardas Modi, perceived as the modern Bhagirath has thrust upon himself an equally path-breaking effort to clean the waters of the holy river and restore its hygienic significance, more appropriately 'NAV-AVATARAN OF MAA GANGA'.

His vision and the scale of the entire project has captivated the imagination of not only the global Indian diaspora but an entire human generation and for generations to come. We support Shri Narendra Modi ji's Namami Gange mission with 'Tan Mann Dhan'."

# Giving Back to Clean Ganga Mission

River Ganga has been the source of physical and spiritual sustenance of Indian civilization for millennia. National Mission for Clean Ganga aims at nurturing the river Ganga back to life, and creating a safe and better ecosystem. To rejuvenate the river, National Ganga River Basin Authority (NGRBA) has started the Mission Clean Ganga with a changed and comprehensive approach to champion the challenges posed to Ganga through four different sectors, namely, of wastewater management, solid waste management, industrial pollution and river front development. To harness the enthusiasm of overseas Indians to contribute towards the conservation of the river Ganga, the Clean Ganga Fund has been set up.

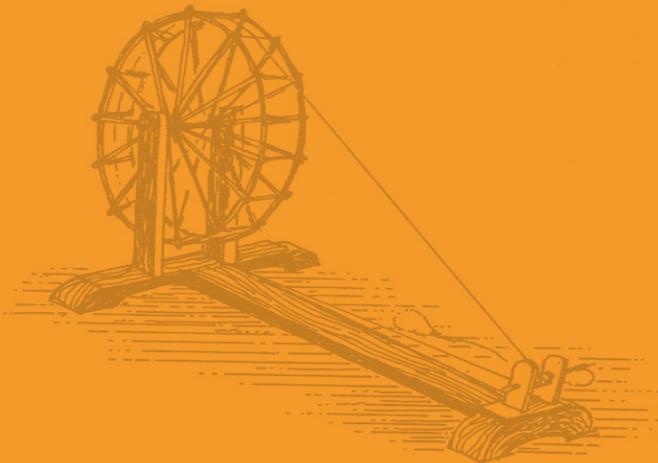

# Giving Back to Swachh Bharat Mission

एक कदम स्वच्छता की ओर

Mahatma Gandhi wished to see a "Clean India". To work towards this vision of Gandhiji, Hon'ble Prime Minister Shri Narendra Modi launched the Swachh Bharat Mission on October 2, 2014 and asked people from all walks of life to help in its successful implementation of this mission.

The Mission seeks to achieve the goal of Clean India in the next 5 years. Swachh Bharat Mission is not just about cleaning surroundings but also seeking the participation of people in planting trees, creating a garbage-free environment, providing sanitation facilities and paving the way to accomplishment of the vision of a 'Clean India' by October 2, 2019, the 150<sup>th</sup> birth anniversary of Mahatma Gandhi.

*"Be the change that you wish to see in the world"*

- Mahatma Gandhi
